No necessity exists for proposals to be made for the allowance of the President of the Legislative Council to be increased, as there is a Salaried Chairman who may be the Chief Officer who was performing the executive functions formerly. As the Municipal President has now been elected, and the same Considerations which under which an allowance was granted exist before allowance should also.

As regards the Vice President, an allowance was sanctioned from the year 1915. The circumstances under which the sanction was obtained were such that it was proposed to entrust some responsible executive work to the Vice President, involving a good deal of inspection & moving about the various suburbs of the City.

The allowance has no doubt been continued both on account of the precedent and on account of the work which the present Vice President

The reference now made does not show that any executive work is proposed to be entrusted to the Resident or whether he has been so entrusted; and whether in view of the fact that a Commissioner has been appointed for Kolhapur affairs the executive functions of the Resident, if any, is any necessity for the Resident also being entrusted with executive work and for the grant of any allowance to him so for consideration

P.S. We doubt in framing this para 2 the Commissioner, the first that Vice will be a saving for all allowances payable when President and Vice President has been taken into account. But the Municipal Council has resolved to embrace these allowances and Vice Chairman cannot be treated as the allowances are to be paid from municipal funds. But an allowance of Rs 250 p month to a President who has no emoluments from the Corporation besides the emoluments - Rs 150 a month can be paid when & Rs 100 when V. P. The term 2 the present Municipal Council will expire in November next when the post of President & Vice President which is such proposal may be done away with. I believe the Madras Corporation has no Vice President. I believe the Bombay & the Madras Corporation pay no allowance this fact may be mentioned

Sir,

I have the honor to state that the question of the grant of conveyance allowances to the Honorary President and Honorary -- Vice-President of the Bangalore City Municipal Council formed the subject of discussion at two meetings of the Council held on the 2nd February 1924 and 17th March 1924 A brief history of the cae from its inception may not be out of place in this connection Prior to February 1920--when the Council was for the first time given the privilege of electing its own President--Dewan Bahadur Rajasabha Bhushana Mr K P Puttanna Chetty C I E was the nominated President for 7 years and he was --- given a motor car which was maintained entirely from Municipal Funds For about 6 years of his Presidentship there was a salaried Vice-President In September 1918 the Council were given the privilege of electing a non-official Vice-President and of appointing a Chief Officer Mr Mohamed Abbas Khan was elected as the Vice-President and a recommendation was made in this office letter No 17 dated 18-7-1919 for the grant to him of a conveyance allowance of Rs 100/- a month from 1st July 1919 This was sanctioned by Government in Order No R 2896-7/M1 34-19-14 dated 30-8-1919 In February 1920, Mr P K Garudachar was elected as the Honorary President and the Council recommended

recommended that he may be given a motor car conveyance allowance of Rs 250/- a month and this was sanctioned by Government in Order No.R 12995-6/Ml.182-19-2 dated 15-5-1920 This arrangement continued till November 1921, when the Council lost the privilege of electing its -- President. The Government in Order No.3647/70-21-96 dated 21-12-1921 appointed a full-time salaried President of the status of a Deputy -- Commissioner. The appointment of the Chief Officer was abolished and in Government Order No L.4707-9/Ml.70-21-137 dated 22-2-1922, the salary of the full-time President was fixed, as also the contribution payable by the Municipality towards it. It was then that the Conveyance --- allowance to the Honorary President ceased But the Conveyance allowance of Rs.100/- sanctioned to Mr Mohamed Abbas Khan as Vice-President continued to be paid to his successors in office.

2. In Government Order No.L.2712-16/Ml.60-23-32 dated 13-10-1923, the Government were pleased to restore to the Council the privilege of electing its President. This was followed by the appointment of a Municipal Commissioner and his pay and allowance were fixed in Government Order No.1838-40/C.B 110-23-21 dated 23-11-1923 As soon as the election of Mr B.K.Gerudachar as Honorary President was notified by Government ir Notification No L 4622/Ml 60-23-58 dated 17-12-1923, the office put up a note as to the allowance payable to him. On 20-12-1923, Mr Mohamed Abbas Khan gave notice of a proposition to the effect that the payment of allowances to the President and the Vice-President be discontinued, as they have been divested of all executive functions by the appointment of the Municipal Commissioner This proposition was discussed at great length in two meetings of the Council dated 2-2-1924 and 17-3-1924 and was lost, as only 3 voted for and 11 against it. Copies of resolutions are submitted herewith for orders.

3 The sense of the Council--with the exception of the minority was that the conveyance allowances of Rs 250/- and Rs 100/- already sanctioned to the President and Vice-President respectively, should be --

continue

continued to be paid to them Mr P K Garudachar entered on his duties as President on 20-12-1923 and Mr P V Krishnaiengar continues to be the Vice-President from September 1923 It may be mentioned that, as the resolutions show, both these gentlemen withdrew from the meetings when this question was discussed

4 Early orders are solicited for the payment of the allowances

6. State the Govt view of opinion that with a Tribal Council under the Amended Tribal Rights, the Office of the Vice-President is quite superfluous and that they do not consider it necessary to file up the place on the expiry of the term of the present incumbent.

7. As regards the grant of conveyance allowances to each of the President and the Vice-President of the Tribal Council, Govt observes that it is a matter entirely within the purview of the Tribal Council to decide and that, as no change is contemplated, no orders of Govt are called for at present in the matter.
